TRISTEN BRUNSON

Tristen,

You fell in love with football while watching your big brother play. You couldn't wait to get your first "real" helmet. The excitement you had when you first put on your helmet fourteen years ago was priceless! We have watched you grow in more ways than one. You have grown in your talent, strength, determination, perseverance, leadership, and height :)

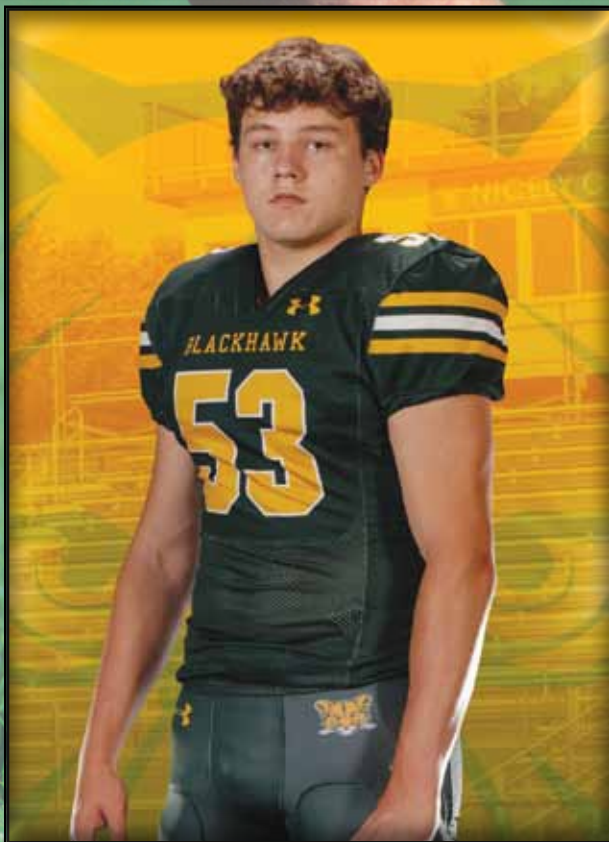

You have overcome many challenges from moving from SC to PA, from Chippewa Indians to Lil' Cougars, to injuries. We're so proud of how you handled yourself & overcome many obstacles. Your hard work and determination is impressive, but your faith & love for God is inspiring! You are a true leader on and off the field. One of our proudest moments is seeing you lead the entire team to take a knee on the sidelines, and pray before the games. You are a true testament. It's obvious how much you love the game, your coaches, teammates & God. We couldn't be prouder!

Enjoy your senior year! Take in & enjoy every moment. Continue to make memories and friends. Have the time of your life. We are your biggest fans and cheerleaders. Remember always Philippians 4:13 "I can do all things through Christ who strengthens me." We're so proud of you and can't wait to see your future on & off the football field.

Love, Mom, Dad, Braden & Kayla

MICHAEL DONOVAN

Michael, as we sit to write this letter to you, it is difficult to find words to express how proud we are of you. Football has been an instrumental part of your life, providing opportunities to learn and grow. I can still easily see that young boy going out on the field for the first time, grinning from ear to ear, barely visible under the helmet and should pads. We are proud of how you have faced and managed difficult challenges, even when the outcome was not what was intended. We are proud of your work ethic. You have committed yourself to goals reflecting self-improvement and progress, both in sports and academics, which will help you as your life moves forward. Football has given you a chance to work as a part of a team which is an important skill. We are grateful for you and your dedication to your team, family, and community. You are kind and have a generous soul. You deserve all the wonderful opportunities that life has to offer, and your memories of this time with your team are something that you will carry with you. Thank you for being the person that you are. We love you very much. Enjoy your season and senior year!

ROBERT KELLY

Robert,

We can't believe you're a Senior already. Where has the time gone?

It was just a short time ago when you came home from BIS and told us about this game you played at recess where it was your job to keep the ball from going past you. At first, you weren't sure what the game was called but you really liked it. Eventually, you told us you were playing soccer, and you were the goalie. Following your passion for this new sport you decided to leave baseball and play soccer year-round.

Through soccer, you've learned perseverance, experienced great comradery, and gained confidence. As a goalie, you also learned how to kick the ball really far.

When you decided to become a punter for the football team, we were so excited that you stepped outside of your comfort zone and decided to try something new. You'll be rewarded with new friendships, experiences, and even more confidence.

As you begin life's next journey, continue to expand your comfort zone, trust your instincts, follow your passions, and always, always, "kick it really far".

We are blessed to have you as our son,

Love,
Mom and Dad

We are so proud of you son! It has truly been a joy to follow your journey both on and off the fields. Hold close all of the memories. As you continue on life's path, keep your faith, work ethic, great friendships and love of sports.

Love and God's Blessings!

CONNOR McGRAW

As we draw close to your final chapter as a Blackhawk Cougar Football player, we all want you to know how proud we are of you and your accomplishments, but also how fortunate we feel to be along with you during this journey! From your initial practice as a Lil' Cougar, leading up to this final season we watched you work with innate tenacity bettering yourself both on and off the field and using the experience you've gained to mold yourself into the young man you are today. It has been our Journey as much as yours and we appreciate the memories you've given to all of us. From the beginnings of your football path we eagerly watched and cheered as you reach personal goals and concurred individual milestones. That first season seemed so long ago, yet it feels we are at your final season in a blink of an eye. We enjoyed each step of the way. Whether it was wins or losses, setbacks or triumphs, it has been a thrilling ride! And your dedication through it all is what makes all of your family proud of you!

Good luck this year Connor! Make it the best and most memorable year yet. Remember these days forever with delight and use the experiences for the road ahead! We are proud of you as not only a player but as a son, brother, grandson and friend!

We cheer you on this day, this season and for years to come.

Love you,
Dad, Mom, Olivia & Bryce

SAM STEWART

Sam,
Can't believe it's your senior year. Starting with the Chippewa Indians to Blackhawk Lil' Cougars to now in high school, you've never short changed anyone with your effort or work ethic.

We couldn't be more proud of the kind, respectful young man that you've grown into.

The last few seasons have been a roller coaster for the team, but big things are ahead.

Life isn't always fair; sometimes it's not what you know but who you know. But remember this, **BE HUMBLE, BE HUNGRY AND ALWAYS BE THE HARDEST WORKER IN THE ROOM.** If you do that, you'll be successful no matter what you do.

Best of luck to you and the team on a healthy, successful season! Go Cougars!

Love,
Dad, Mom and Shelby

Allie,
I'm not sure where the time went but here we are... it's your senior year!
I've loved watching you grow from a little twerp to the varsity cheerleader you are today.
Words cannot express how proud we are of the kind, beautiful, smart young woman you have become.
I'm not sure how you manage to keep up with everything from cheer, to coaching the little cougars, to band and the many other activities you do. But somehow you manage to balance it all!
I know you will accomplish everything you set your mind to. Make sure you enjoy yourself along the way.
Have a great senior year making memories to last a lifetime!!

Love,
Mom, Gibby, and Pappy

LOGAN ESTRADA

Dear Logan,
We wanted to take a moment to express how incredibly proud we are of the person you have become. Over the years, we have watched you grow and mature into a wonderful individual, not only excelling in your pursuits but also being a great brother and son.

Your dedication and commitment to everything you do, whether it be in the band, Boy Scouts, FFA, musicals, or any of your other activities, is truly admirable. Your hard work and passion shine through in all that you undertake, and we can see the joy it brings you.

As you embark on your senior year, we encourage you to cherish every moment, from the friendships you've made to the performances on the field and the exciting trips you've taken. These experiences have shaped you into the person you are today, and we hope you hold onto those memories with great fondness.

We have no doubt that you will make this year great and wonderful, just as you have done with everything else in your life. Your big heart and genuine spirit are evident in all that you do, especially when you are out on the field playing. We cannot wait to see and hear you play this year and are excited to witness all the amazing things you will accomplish.

Remember, we love you more than words can express, and we are always here to support you in all that you do. Keep shining bright, Logan, and make this year one to remember.

ALLIE HARRIS

Allie,
 I can't believe it's your senior year. How did we get here so fast? It seems like just yesterday you were starting kindergarten and now it's your last year of high school! Marching band has become a passion of yours and I've loved watching you learn and grow over the years. It's been an amazing journey from starting out on clarinet, then switching to tenor sax and now being the drum major. You work hard and manage to balance band, cheer, and the many other activities you do with ease. We are so proud of the amazing, talented young woman you have become and can't wait to see what the future holds for you. I hope you have a great senior year making memories that will last a lifetime!
